# WHY ENTREPRENEURSHIP..?

## ACTIVE VS PASSIVE INCOME

Do less work , have more free time and more money people who leverage their time and efforts.

" I'D rather have 1% effort of 100 men than 100% of my own efforts ".

If you are direct seller, the main advantage of leveraging is that if one of your direct seller in your team is inactive, it will have very little effect on the productivity of your business or income that you get .

### Passive Income

Sponsor 2 people, they each sponsor 4 people= 8 people,  
they each sponsor 2 people= 16 people,  
SO 30 People working 10 hours per week = 300 hours/ week  
over 52 weeks = 15600 hours in one year.

### Active Income

Work 40 hours a week for 52 weeks = 2080  
Hours/ Year45 years work = 93,600 hours  
in a lifetime
